

## Product specification sheet

**Product title** | 1SKB-63 SKB Explorer/Firebird Type Hardshell Guitar Flight Case

### Description

A distinctively shaped case designed to fit "pointy style" guitars such as, Firebirds (including models with "banjo" style tuners), Explorer®, Jackson Kelly, Jackson Warrior models, and more. This unique case features a plush black lining over a molded EPS foam interior to cradle the guitar and provide neck support with a convenient accessory compartment.

The exterior is constructed of a nearly indestructible molded ABS polymer that has been engineered to provide the ultimate protection during transport with TSA recognized and accepted SKB trigger release latching system which allows the user to lock the case and still have it inspected by airline security personnel.

Additional features include a nearly indestructible injection molded rubber over-molded cushioned carrying handle with injection molded feet and a bumper protected valance.

Gibson Trademarks are owned by Gibson Guitar Corp. and SKB is in no way affiliated with Gibson Guitar Corp.

### Features

- Distinctively shaped hardcase protection
- Fiberglass reinforced nylon trigger release latching system
- TSA recognized and accepted lock
- Bumper protected valance
